

# SCL How To Guide: Events

## Official JCL Events:

The main mission of SCL is to help out JCL at events on the state level. Make sure that the JCL board and chairs know that your SCL is willing and available to help.

California SCL does a great job of getting people to attend CAJCL's Southern Annual Regional Meeting.

Make sure you are reminding your membership early through emails and social media posts. CASCL also has a post-event party to help encourage attendance.

Email [scl@cajcl.org](mailto:scl@cajcl.org) for more information on how to get a good showing at your next official JCL event!

## Virtual SCL Events:

A virtual hangout is a great way to get members all over your state involved! It's also a fantastic way to make sure slashers who go out of state for college can still participate year round.

Texas SCL hosts a virtual Spooky Social during October.

Find someone who has Jackbox games or research other virtual games you can play like skribbl.io or Codenames!

If no one has a professional Zoom account, feel free to use the NSCL Discord!

Email [historian@txscl.org](mailto:historian@txscl.org) for more suggestions!

## In-Person SCL Events:

A group outing is a great way to bond, share experiences, and make many inside jokes!

Louisiana SCL hosts an annual trip to New Orleans. Past activities have included Escape Rooms, the New Orleans Museum of Art, and the Audubon Aquarium.

Send out a poll to see which dates work best.

Check to see if where you are visiting has group rates or student discounts.
